Orcas Island Forest School is an all-outdoor, all weather school. The forest is the classroom and there are no indoor facilities. The success of our program depends on the willingness and enthusiasm of all of our parents to have their children deeply immersed in nature on a day-to-day basis. We work diligently with our families to ensure that children are warm and dry.

By signing below you confirm that the information above is correct, to the best of your knowledge. By enrolling your child, you are making a commitment to the full 2017/2018 school year. We ask for 30 days notice should you decide to withdraw your child from our program for any reason.
